HUB Prayer bulletin

Dear friends, you who support us in prayer, brothers and sisters,

This year has come to an end. And the end of the year is usually the period when we reflect on what has been happening during the year. We are so grateful for all the support we have received from you throughout the year. We are happy that an army of brothers and sisters stands together with us in our ministry. Many victories have been won, just because you sacrificially prayed. Thank you!

When we look back

Just after the excellent Mission Conference finished in September, attended by many former students, a new school term started. We had new faces and new challenges, and have enjoyed a very blessed time during the last three months with

them. Some of them God has changed and shaped so much in such a short period.

We praise God because we've seen God's Word being preached in our school, and it having effect in the lives of young people. It's not only that; there is also a desire in their hearts to share that Word with others. Fantastic!

The second year students are also dedicated to studying practical church ministries. They study church ministries and general subjects: preaching, working with children, pastorology, ethics, and so on. They also learn practical skills: computers, how to make most of one's time, English language, to name a few.

We can witness to the fact that our last year's pioneer enterprise with a second year programme was an excellent idea. We had the courage to start it, and God has led it and blessed it.

As in previous years, HUB has hosted many churches and organizations. We have been encouraged because people have said that they feel at home in HUB. We are glad that we can build that kind of atmosphere here. Praise God for that too!

Humanitarian work

Serving people also involves us in caring for their needs. That's what we have been doing this year through several humanitarian aid projects. It has been an excellent way to show love in practice. Last week, we gave away almost a thousand Samaritan Purse Christmas presents. Thanks to all of you who were a part of this too!

When we look forward

From April 5th to 9th next year, we will be having a completely new event in Serbia, which will be organized in cooperation with Joni and Friends International. Together with them, we will hold a Family Retreat in Vrnjačka banja (spa) for children with special needs. It will be an excellent programme, which aims to bless whole families – the parents, children with special needs and their brothers and sisters.

We are also planning to have a conference for pastors, for two days during that week, also in Vrnjačka banja. The aim of that conference is to engage pastors in this project.

As we are preparing for the beginning of the new semester, which starts on January 10th, we will take some free time to enjoy the Christmas and New Year holidays with our families.

We wish you a Happy Christmas, and lots of joy and blessings in the following year! May the God of peace and love be with us all!

Yours in Christ, Sladjan and Jaroslava Milenkovic, with the HUB team
