

Dear friend, prayer supporters, brothers and sisters,

Here we are at the end of 2010 and as it is always the case when we stop at the end of a certain period of time and look back we can see God's magnificent deeds and His guidance. May the following reading inspire you to continue to pray for us and our ministry. We believe that we need his guidance and power to continue forward in serving Him with what He has entrusted us.

A semester behind us and a new-one ahead of

We have just finished a very exciting semester in the Bible School. We are very encouraged to see the new generation of students growing and learning. We have had great teachers faithfully serving us this year and together with them we have had a privilege to visit and serve many churches in our country.

The new semester is beginning at January, 10th and we will have some new students involved. Please, pray for them.

And in the New 2011 ...

...Many things are awaiting. We are already greatly involved in planning the events which will mark the coming year. This is a part of what we have agreed to put through:

- *The second Family Retreat* for the families with children with disability which will be held in April 26-30th 2011.

- *Pastoral conference* - in April 27th 2011. - This include planning and praying for the evangelisation campaign with Nick Vujicic in 2012.

- *Preaching Seminary* - with Eddie Coulter and Brian Kerr, Anglican pastors and great experts in knowing the Scriptures, which will be held in May, 23-27th 2011.

- *HUB Mission Conference in September, 16-18th 2011.*

Preacher will be Lindsay Brown who is an excellent Bible teacher. For many years he served as IFES International General Secretary; he is International Director for the Lausanne Movement and very much appreciated international speaker.

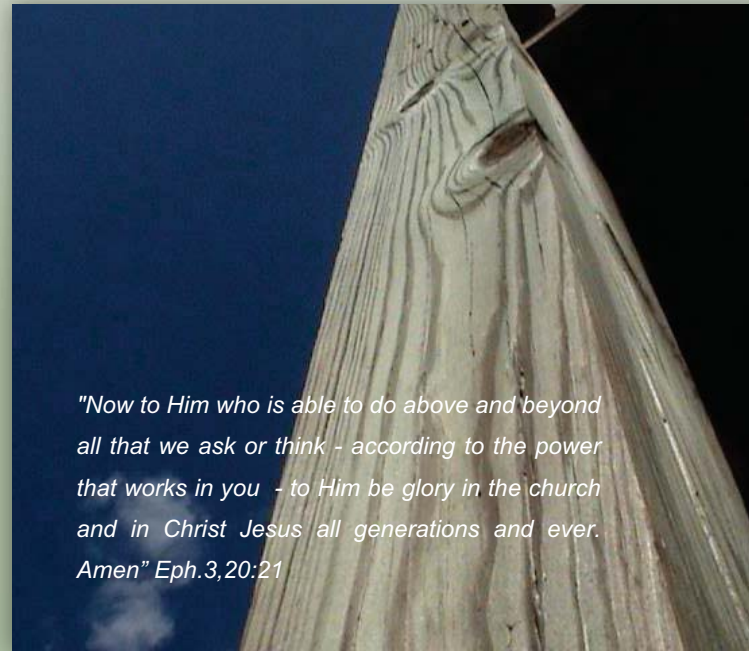

- *Seminary with the theme on Apologetics and Creationism vs. Evolution* will be held again with professor, scientist and Bible teacher Dr. Heinz Lycklama from the USA in October 2011.

Always good hosts

God give us both the great building and the great team by which we wish to serve to the churches and believers.

Already now we have almost half of the dates in the summer 2011 booked but there are still possibilities for you to organize some of your events here - any meetings, conferences, seminars, camps etc. We believe that we can fulfill your expectations.

Thank you for being there for us..Thank you for your support, encouragement...

May the Lord powerfully lead you and your ministry.

May the Lord bless you abundance in the new year!

Marry Christmas!
