Dear Friends and Partners in the Lord's ministry,

I am writing you in order to share with you something huge which the Lord is doing among us in the ministry to children in Serbia! The entire CEF team is mostly involved in preparations for our summer activities, and we're looking forward to everything that awaits us this summer.

A Review of Our Recent Days

These past weeks, we've completed several projects at the Camp in Mrcajevci where we, along with workers and volunteers - some of whom even came from England, put tiles in the bathing facilities, spread gravel on the driveway to the camp, put linoleum in the rooms, put together the beds and placed them in the rooms, and many more activities. We're thankful to God for each one who came to help. Now everything is prepared for the children to come!

We held a teachers' meeting in Staro Pazovi where we presented the materials which will be used this summer at the camps, and also agreed who would be responsible for which role at the camps.

Before us are several challenges!

Preparations for the Institute.

Many things are nearing the end, therefore:

- We are praying for strength and wisdom so that everything needed for holding the institute will be ready on time.
- For the safe travel and arrival of the teacher and students who are travelling from different countries in Europe.
- For good and interactive learning so the students will acquire the knowledge which will prepare them for the rest of their lives and ministry.

Camps this Summer

- Pray for the children and youth who are registered for camp, for God to prepare their hearts and for them to accept Christ as their Saviour. This is the main purpose and the most important thing for us.
- Pray for the teachers and volunteers who will serve at the camps, for their lives to be a living example of God's Words to the children and youth, and for them to allow God to use them.
- Pray for the cooks which we still do not have for 2 of the camps in August.
- Pray for the women from the "Society of Single Mothers" from Nis, who will send their children to camp, for God to touch their hearts also.
- Pray for the organization of the camps and for God to lead and to give needed wisdom and protection.
- Pray for the money which is needed for transporting the children and food.

Clubs in the Roma Churches.

Currently, Dragan and Daniela are holding clubs in the Roma churches. Their hope is that through these clubs they will meet new children and that they will go to camp this year. They are encouraged that they have made new friendships with the children and pastors. They began in Belgrade where 15 children came, 5 of whom were new. In Vrnjacko Banja, where they went for the first time, there were 18 children. The third place they went was Aranjelovac where 19 children came. Thank you for praying for Dragan and Daniela and their ministry which they work among the Roma children.
