The beginning of the new school year

What a fantastic beginning of the new school year! The students of the 1st and the 2nd year, 21 of them, came from different parts of Bosnia, Macedonia and Serbia.

So much diversity at one place, with so much enthusiasm for studying the Word of God and for preparation for the ministry is something that we believe will make this year in the Bible school an unforgettable experience for them.

To be near the Word of God, in a healthy Christian surrounding, with a heart open for God's work is the right recipe for the spiritual growth.

Pray as this group of students grows and is being prepared for new challenges that are waiting for them afterwards.

Pray that God would provide for all their needs during their studying here.

Pray that the Word of God and the practical experience they will attain would be an opportunity for God to reveal His will for their lives.

Pray for the entire "army" of teachers, over 40 of them, who will take turns in teaching the students during the year.

Pray that we continue to be a blessing for churches and believers that we will minister to together with the students this year.

Mission Conference 2011

Praise the Lord for our long planned and expected Mission conference which has ended a few weeks ago. The conference was attended by over 200 people that weekend. The sermons, given by Lindsay Brown, inspired us and also brought challenges into our lives. How to be salt and light for the society and the world we live in? How to not run away and despair in tough situations, but to be faithful to God in the midst of them instead?

Worship, prayers, excellent sermons, fellowship, etc. made us feel encouraged as we left the conference, and motivated to keep serving God who called us. Let us know if you want to receive the recordings of the sermons from this conference.

Thank you for praying for us and for supporting us in this year as well. May God abundantly bless your hard work and every sacrifice of yours.
