

## HUB Bible School Belgrade – Prayer Bulletin

**Praise God** that we can be in ministry for our Lord Jesus and His church. By His grace He gives us so many blessings that we cannot even count.

We are at the very end of the year 2011, and we are thankful to God that He's lead and blessed us in many ways.

**We have finished the first trimester of the Bible school successfully.** Praise God for the groups of young people that God teaches here and prepares them to take the good news across the region. This was the last trimester for Vladimir Horniaček. We prayed to God together, that He may keep Vladimir faithful and use him as a tool through which He would bless many.

The students of the 1st year are at the Christmas holiday, and the 2nd year students are at the practical part of the school year, where they actively participate in different ministries either at their churches or at the mission field.

**Please pray for the end of the school year,** as well as for the new students who will join us in January.

**We are going to give out about 700 presents to children this Christmas.** At this time of a very difficult financial crisis in Serbia, for many children this will be the only present they get for the holidays. We are thankful for the possibility to bring joy to these children and to tell them about the greatest gift God gave us as we give out the presents.

**We are going to host a teenage camp of Child Evangelism Fellowship** in January, the week before the beginning of the new trimester, where we will minister to many young people who usually come from non-Christian families and backgrounds. We are glad that, as HUB, we can support this camp and that one day we will see the fruits of this work and ministry. Please pray for this event.

**Many events are expecting us in the New Year 2012.** We will have a privilege of hosting great teachers. With this, I would like to announce the coming of a great teacher, apologist and evangelist Michael Green, whose books on evangelism have been well known for many years in our region. He will teach at the Mission conference in September of 2012. We are thankful to all those who are to come and serve to us in the year ahead of us.

We are still **hosts in our space in Opovo to children with special needs** who have inclusive workshops there three times a week. This ministry is so important and God uses this very form of our support for them; because of that, in our local community, HUB and the Bible school are building a great Christian testimony.

**We are thankful to God for an excellent team of people** who faithfully serve here with us. Please pray for God's strength and wisdom as we all keep moving forward together.

**Thank you for your support.** Please read this letter in your churches, prayer groups, families...

*May the peace and joy of these Christmas days as we remember Jesus' birth be with us the whole next year. May this joy of salvation shine from you on others wherever you are. Serve God faithfully!*

Yours in Christ,

*Sladjan and Jaroslava Milenkovic*
