## Prayer Letter

of CEF Serbia  
January 2012

Dear Friends, Co-workers, Prayer and Financial Supporters,  
I wish you all the best from the Lord in this new year 2012.  
Right away at the beginning of this year, the Lord encouraged me with a verse from His Word. The verse is written in Galatians 4:18 "It is good to be zealous, but for good things, and for that always,..."

In this letter I want to inform you about some of the many "good things" which we are planning to do this year. We also want to invite you to join us in prayer that in all that we do, the face of the Lord would go before us. The Lord has already shown His face in many ways last year. And in this new year, we do not want to go without His face, His mercy, love and guidance. So we invite you to pray with us for the things which await us this year 2012:

January

- We are beginning this new year with many Christmas clubs and actions to distribute Christmas packets. Here in Serbia, among vibrant Orthodox, Christmas is celebrated on January 7th. Our team is greatly using the holiday time to reach even an even greater number of children.
- From January 8-14, a camp for young people will be held on the property of HUB Bible School in Opovo. We are grateful to friends from England who supported us and made possible for this camp to become real. We consider work with young people to be a great opportunity for evangelism. Pray that even more souls will give their lives to the Lord and that those who already have will grow in faith and knowledge of Him.
- From January 17-26, Lidija and I will travel to Turkey for a CEF leadership conference. Pray for safe travel as well as for the time spent there to be useful for building us as leaders.

February

- National CEF board meeting in which we need to analyze the development of all of the ministries of CEF as well as to vote on development plans of each individual team member for 2012. Pray for wisdom in analyzing and for reaching a decision for each team member.

March

- Visit to the CEF Montenegro team and meeting with the CEF board in Montenegro.
- Meeting of the teams CEF Serbia and CEF Montenegro in Nis to work on personal development, planning of future activities and work.
- Visit to Bosnia, to churches and workers with children.

April

- CEF Conference in Hungary on Lake Balaton.

May

- Third Gathering of missionaries of central and south Serbia

June

- Because we purchased the two properties last year, this year holds extensive renovations and adaptation of the existing buildings. We want to do all of this work in two phases. The first phase will be until summer camps start. During that time we need to repair and rework the shed and build a large meeting room which now does not exist.

In the second phase of adaptation which will start on September 1st right after summer camp activities, we will work on installing heating in all of the buildings and installing insulation so that we can use the camp in the winter as well. The need is great to organize camps, conferences and meetings in the winter. If we could have heating, we could meet more often than now, as we can only use camp in the summer months. It is also a great need for children, young people and families to be spiritually built up. This is a huge vision, a huge idea, and a huge undertaking. We will need all of your attention and help. We will keep you informed about every step which we plan to take. At the beginning of February I will write detailed information regarding the camp projects.

July - August

- 8 camps in which we desire to reach 400 children with the Gospel.
- My family will travel to America. We will visit friends and partners who desire to support the ministry which we do in Serbia with the CEF team. Pray for safe travel for us and for successful presentation of the ministry of CEF. Pray that God will stir the hearts of people to get involved in investing in His work here in Serbia.

September  
October

- Continuation of the work of adapting camp, second phase.
- Mini CEF conference in the north of our country.

November

- First Congress - gathering of friends of God's children in Mrcajevci. Theme: TELL what the Lord has done for you!
- Meeting for CEF team and national CEF board.

December

- Preparations for Christmas.

We thank you in advance for your involvement in fulfilling this plan. Through prayer, serving together with us, through financial gifts and any other support.

May the Lord go with you and bless you in your private and business lives for all of 2012.

The Lord be with you all,

Darko Adamek
