

HUB Belgrade Bible school Newsletter - May 2012

"For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes!" Romans 1:16

Dear friends of HUB and the Bible school,

Greetings in the name of our glorious Savior Jesus. These verses are a real inspiration and a motto of the Bible school. They are also more than that, they are an inspiration for a ministry of every believer whose goal is to proclaim the good news to our people. With these words we are encouraged to preach the Word always, just as the apostle Paul said, in season and out of season.

Inside this issue:

- *What happens at HUB*
- *Open enrollment*
- *Disability ministry seminar*
- *Pastor's Conference*
- *Mission Conference*
- *Summer at HUB 2012.*
- *Milenković family*

The new term has started great. This third term is always special because of the beautiful spring weather, and especially because most students finish their school year so these are their last weeks here. The issues which are a positive concern for our students currently are: what to do from now on, where to go, how to do it etc. What they have learned at the school, all the encouragements, challenges, visions, should now be channeled into the goal of it all – life and practice.

Please pray that God would clearly guide each one of them and point them to recognize His way and His will. Some of the 1st year students will probably enroll the 2nd year, some will

return to serve where they come from, some will continue to study their 1st year here. All the students of the 2nd year finish the school at the same time. Some of them have already been called into a ministry, while some of them are still praying about where God is calling them. This is a truly special time.

We have had some great teachers this term – there will have been 25 of them teaching at our school this term. Most of them come from abroad – United Kingdom, United States, Germany, France, as well as our country.

One more time, we are incredibly thankful for their readiness to come and teach at our school.

Dr. Steve Bateman, teacher at HUB Bible school

"How good it is to be back at HUB! There is no other place quite like this. Highly motivated students are hungry for the Word. Top quality leaders are dedicated to maintaining doctrinal integrity as well as high character qualifications. All living in a Christian community conducive for fellowship and discipleship. I always meet the most interesting people here, like students from all over this part of Europe, visiting professors from the United Kingdom, Germany, and North America. What a joy and privilege to be invited back to teach at this very special place God has raised up for his own glory and the good of all the nations!"

OPEN enrollment !

Intensive study of all the books of the Scriptures with a lot of practical experience through fellowship and mission work on different fields in a very dynamic ways with great teachers – is a

brief description of the first year of the Bible school.

Different ministries in church and out of it, general theological education and practical mission skills with much practical work at mission fields or at churches, also with great teachers – is a description of the 2nd year of the Bible school.

The 16th generation of students will soon finish their 1st year of the school, so we are preparing for the new group of

students who are to come in October.

The deadline for applications is the end of August 2012, so please, if you are interested or know someone who is interested in coming to HUB Bible school, call us.

For those of you who have finished the 1st year, the applications are welcome and the deadline is June 20, 2012.

“THE EXPERIENCE OF GOING TO THE BIBLE SCHOOL HAS CHANGED MY LIFE, I KNOW THE BIBLE BETTER AND DEEPER.”

Seminar on work with the disabled people from May 28 – June 1, 2012

This year, for the students of the second year, as well as for all those who are interested, we are organizing a seminar on work with the disabled people.

There, we will hear about topics related to how us Christians should treat people with a certain kind of disability.

Other than very practical lessons, there will be words about the theology of suffering and disability etc.

We still have a great cooperation with the organization “Joni and Friends” from USA who have a huge experience at this work.

This year, the teacher will be dr. Cheryl Irish. Cheryl has over 25 years of experience in special education. She is currently a professor at Indiana Wesleyan University. You can read more about our teacher here: http://www.specialchildreducation.com/Page_2.html

Dr. Cheryl Irish

“This is my third opportunity to teach at HUB since 2010. I find it spiritually energizing to work with the students at HUB; they are eager to learn God’s Word and to gain new knowledge of the application of the Bible to life. It is a joy to contribute to their spiritual maturation as we consider practical theological issues such as disability ministry, Christian education, biblical counseling, and spiritual warfare. Both the students and staff at HUB demonstrate a servant attitude creating a positive community atmosphere in which to develop and express their Christian faith.”

Dr. David Anderson, teacher at the school

Dr. David A. while preaching at one of the services at a church in Belgrade, where HUB was ministering

Pastor's conference June 1-2m, 2012

This year, with the support of the organization "Joni and Friends", we organize a two day pastor's conference. The conference is intended for Christian leaders from our country and the surrounding countries. The goal at this short conference is that many leaders hear about the importance of ministry and ministering to those about whom our society often doesn't care enough. Also, there will be an opportunity to learn how we can best help individuals and

families facing disabilities.

The teacher will be Chip Bell, the pastor of a church in Dallas and a teacher at our school for many years. We will be truly

taught and encouraged through him, since he has so much personal experience. You can read

more about the teacher here:

<http://www.fbcrapaho.com/aboutus/pastors/chipbell>

The costs of transportation, accommodation and the conference will be covered, so please take your time to participate in this event.

This will be a great chance to meet the students and learn about HUB Bible school and everything that is happening here.

THE ANNUAL MISSION CONFERENCE, September 14-16 2012, with Michael Green

Our greatest event of the year is the Mission conference, where many former students from all generations and from all the ends of our region come. Also, many churches, organizations, missionaries and individuals get involved. It is an excellent opportunity for a spiritual refreshing with a great fellowship, worship and lectures.

We are thankful to God that this year Dr. Michael Green is coming to teach, who is one of the leading evangelists in the world, the author of over 50 books. His passion for evangelism is something that will surely inspire us as he teaches at this years' conference.

Save this date, since this years' conference will be one of the big ones, too. You all are welcome.

Have a look at the video from the last years' conference <http://cross.tv/73329>, as well as the lectures which Lindsay gave last year on our channel <http://www.cross.tv/profile/509010?go=videos>

You can read more about this years' teacher at the following link.

http://en.wikipedia.org/wiki/Michael_Green_%28theologian%29, as well as: <http://www.wycliffehall.org.uk/content.asp?id=994>

My husband and I come to the mission conference every year. Fellowship is something that we especially enjoy about this conference. We meet with friends from all over the Balkans, talk and very much enjoy it. We also have great lectures here. I always feel like the topic addresses my very life and the circumstances I am currently in. *Lidija Adamek, students of 5th generation of the Bible School*

Darko and Lidija Adamek

Summer of 2012 at HUB

Right after the end of the trimester, HUB will host many camps organized by churches and Christian organizations. It is a privilege to host them and serve them in that way. There are a few more terms for camps left, so cease the opportunity to book the term on time. We have great terms, space, food, accommodation, great team and suitable prices. All this makes HUB an ideal place for summer camps and seminars.

In this period, we are also open for all those who want to volunteer with us and gain new experiences through ministering to others, in a good and healthy Christian surrounding.

Milenković FAMILY

This time, we would also like to share some news about us and our family. In June, there will be exactly 10 years since we became a part of the team of the Bible school. What a privilege we've had by being a part of the ministry which God uses for His Kingdom! We cannot stop praising God for everything He has brought us through. Our daughter Sara is 8 years old, and Jana has just recently turned 6. The big news is that we are expecting our third baby, who, God willing, should be born around the end of November. As a family, we are planning to be away for 2 months during summer, which will be really refreshing for us.

Thank you all for praying and supporting us in this ministry. Thanks for the encouragement in which we really saw God blessing us through many of you. Please keep praying to God for us, to keep us close to Him so that we can faithfully serve in those things that He

calls us. Our prayer is that we are further shaped into servants whose lives will be used by God to His glory. Please pray also for the team who serve here with us and help us in our work.

Write to us, call us, recommend to other people to come and study at our school... We are here to serve the church and the believers in our region. Thank you all for supporting the ministry of HUB and the Bible school either in prayers, financially or in any other way. May God reward your hard work and faithfulness abundantly.

Say hello to your fellowships and churches.

Sladjan and Jaroslava Milenkovic, with the team and students of
