

# CHOOSE LIFE CENTER Newsletter Spring 2012

## REACHING SCHOOLS

We have had the training in Subotica for those who want to teach youth in our public schools about abstinence. Some of them from this group can cover schools in the North of Serbia where there are a lot of Hungarian speaking schools.

## WORKSHOP FOR CHILDREN

Vesna N. has created a workshop, together with different crafts, and presented it to the teachers of Sunday school. The idea is to teach them how to teach children to value human life since the conception.

## VOICE FOR LIFE

We spoke at *Sanctity of Human Life seminar* in Sarajevo, Bosnia, and also in *Bible school (HUB)* near Belgrade. The aim was to inform people on the issue of abortion in our countries, and in our churches and to teach how can we as Christians better serve women who are facing unplanned pregnancy, how can we bring healing to post-abortive women, how can we be a Voice for LIFE.

### DAUGHTERS OF THE KING

At the conference were around 750 ladies, and we, as Choose Life Center, had a workshop and also a pro-life stand. And once again women have brought gifts for our ministry, mostly baby clothes and cosmetics. Praise the Lord!

While there, we have organized the meeting of all of us involved in PRC work with the aim to create a NETWORK, so that we can learn from each other and

encourage each other in our ministry. So there were workers from Sarah Center in Slovenia, Lydia Center from Macedonia, Lighthouse Center from Bosnia and Pro-baby Center from Belgrade.

### “TOGETHER FOR LIFE” CONFERENCE

From 4<sup>th</sup> to 7<sup>th</sup> of October 2012, we plan to host the first pro-life conference for all who are working in Ex-Yu countries - TOGETHER FOR LIFE, here in Novi Sad. We are so excited about that! Recently I have read in a Pulse News an old Zambian Proverb: „*When you run alone, you run fast. When you run together, you run far.*” We are so aware that we need each other!

**You can sponsor a person to attend this conference (travel cost, accommodation) – Please let us know if that is something that you would want to do!**

### HOUSE FOR WOMEN IN NEED

As a team we dream to have a house for women who are facing unplanned pregnancy but have nowhere to go. We are aware that if we are encouraging someone to choose life we have to be ready to help in tough situations. We pray for individuals and organizations who would want to partner with us so that this dream would become a reality.
