

News and prayer requests from the Bogeski family

Dear brothers and sisters,

This summer we would also like to share some important information and prayer needs with you. From the very beginning of this year, God has been showing us that He has so much more for us than we had planned or expected. ELION Media is preparing foundations for some big events that are planned for Serbia and some other countries of the Balkans. Your prayers and support are so vital to us as we continue with spreading the Gospel in the public and private life in Serbia.

After Mega city campaign project presentations that we held in Skopje, Macedonia and Podgorica, Montenegro, together with Dr. Hannu Hauka, the President and Founder of the GCM ministries, we have received an invitation from local leaders to start planning this project in both countries. We believe that it won't be too long before these campaigns become a reality in the Balkans.

Sasko was sent as a representative of the Evangelical Alliance in Serbia to attend the **Festival of Hope held on June 1-3 in Budapest**. Together with other brothers from Serbia, they presented an official invitation to Dr. Franklin Graham to come to Serbia and share the Gospel with our nation. We are hoping to organize this festival in Belgrade in the years to come.

Nik Vujcic in Serbia 21 - 22 September 2012. Most of our time this spring and summer has been invested in organizing and preparing for Nick Vujcic's arrival in Serbia. We are greatly encouraged by the way God has been providing for all the needs concerning this large project. A great number of people have shown interest to join in and support these humanitarian meetings that we are organizing. We are especially encouraged by the support of some famous people. Praise be to God!

Prayer requests:

- Pray with us for God to encourage pastors and leaders in our country to participate in the mega city campaign project. This project can truly have a valuable and lasting impact on spreading the Gospel in this region.
- Please pray with us for God to use the coming of Nick Vujcic for His glory, so that many can hear the Gospel clearly and make a commitment to following Jesus.
- Please pray also for us, ELION Media Ministry is still developing and we need your prayers as we set the foundation for future generations. Please pray for our personal needs, as well as the needs of this ministry.

**Yours in Christ,
Saško, Ira and Abigail Bogeski**

*"Ask and it will be given to you; seek and you will find;
knock and the door will be opened to you."*

Matthew 7:7

This month, we were able to go on a short holiday and have some rest, be refreshed, as well as visit Sasko's family and relatives in Macedonia. We also had a lovely time of fellowship with brothers and sisters there, and were encouraged by seeing how the Lord continues to work there.

Abigail completed her first year of elementary and music school. It was a real blessing to read the words that Abigail's teachers wrote in her report cards. We pray and hope that the coming year will be even more successful and enjoyable for Abigail in both schools. She is growing into a beautiful young girl, with a compassionate heart and full of joy. We praise God for allowing us to be her parents and share this life together.
